

PUBLIC HEALTH SANITARIAN

The Allen County Combined Health District is seeking an individual to work in its division of Environmental Health. A Registered Sanitarian, Sanitarian-in-Training or Bachelor of Science degree in Environmental Health or Biological Sciences is required. Job duties would include public health inspections of complaints, rabies transmission, food sales, school buildings, campgrounds, smoke free work place complaints, drinking water and sewage disposal systems. Salary commensurate with qualifications. Candidates must also possess a valid driver's license and proof of current insurance. Send resume and references to Director of Environmental Health, P.O. Box 1503, Lima, Ohio 45802 or email jobs@allenhealthdept.org by August 1, 2015.
