

### (3) Positions Available

#### **Part-time Community Health Worker (29 hours/week) (or Community Health Worker In-Training)**

**Service Area:** Prevention & Health Promotion Services – Moms & Babies First Home Visiting Program

**Reports to:** Infant Vitality Supervisor

**Salary:** CHW In-Training entry level - \$13.62/hour  
Certified CHW entry level - \$15.01/hour

Under general supervision of the Infant Vitality Supervisor, the Community Health Worker (CHW) serves as a trained advocate from the community to reduce African American infant mortality rates and poor birth outcomes. Conducts home visits to promote early and consistent prenatal care, consistent well baby check-ups and on-time immunizations. Manages assigned caseload through outreach and home visiting services in the Moms & Babies First Program.

#### **Job Responsibilities:**

- Conducts home visits to provide culturally appropriate health and development information, addressing risk factors for poor birth outcomes
- Makes referrals and assists clients with access to appropriate community resources
- Maintains an assigned caseload, including performing required client assessments and documenting service in the Ohio Comprehensive Home Visiting Integrated Data System (OCHIDS)
- Participates in individual and peer case review with Moms & Babies First Staff

#### **Qualifications:**

- Associate's Degree in human services or child development and two (2) years of work experience preferred; equivalent combination of education and experience may also be considered.
- Must possess or obtain Community Health Worker certification through the Ohio Board of Nursing (CHW In Training will be trained upon employment, with certification expected within 6 months of hiring)
- Valid Ohio driver's license with an acceptable driving record and proof of auto liability insurance coverage required. Must have a vehicle to use on the job that is in roadworthy condition.

**WORKING CONDITIONS:** Occasional overtime required. Travel within and outside the District required, with occasional overnight travel for trainings. Occasional work at night or on weekends.

**BENEFITS:** Paid holidays, vacation, public retirement system.
