

Position Available
Full-Time Environmental Health Specialist

Service Area: Environmental Health

Reports to: Director of Environmental Health

Salary: Commensurate with experience
Environmental Health Specialist-In-Training - \$21.29
Environmental Health Specialist - \$21.55

Under general supervision of the Director of Environmental Health, the Environmental Health Specialist performs inspections, re-inspections and investigations, and prepares reports which determine compliance with state and local codes and regulations for Environmental Health Services programs

Sample Program Areas of Responsibility:

- Food service operations and retail food establishments
- Sewage treatment systems
- Manufactured home parks
- Private water system evaluations and sample collection
- Public health nuisance abatement inspections
- Public swimming pools and spa
- Animal bite investigations and rabies quarantine
- School environment inspections

Qualifications:

- Bachelor's degree in Biology, Natural Resources, Environmental Science or related field
- Ability to obtain registration as an Environmental Health Specialist-In-Training, or registration as an Environmental Health Specialist, in Ohio
- Valid Ohio driver's license with an acceptable driving record and proof of auto liability insurance coverage

Working Conditions:

- Occasional overtime, night or weekend hours may be required
- Works within the Allen County Combined Health District; occasional travel outside the county

Benefits:

- Paid holidays, vacation, public retirement system, optional deferred compensation programs
